

# Privacy Policy

BTScan (Document Scanner) is provided by Broadsy Technologies as a freemium service. This Privacy Policy outlines how we collect, use, and disclose information for users of the app ("Service"). By using our Service, you agree to the collection and use of your information as described in this policy.

## Information Collection and Use

To enhance your experience, we may collect the following types of information when you use the app:

**Device Information:** This includes the platform (iOS or Android), OS version, device model, language settings, manufacturer, screen resolution, and hardware configuration.

**Usage Data:** We may collect information on feature usage, including the number of clicks and app interactions.

**Google Advertising ID:** Used for personalized advertising via third-party networks and to prevent inappropriate ads.

**Support-Related Information:** If you contact us for support, we may collect your name, email, and any additional information you provide for troubleshooting purposes.

## Optional Personal Information

If you log in to BTScan, we may access your name, email, and profile image to personalize the app. You may request deletion of your account at any time, and we will use commercially reasonable efforts to remove your data from our servers.

## Third-Party Services

In case of an error, we may collect log data via third-party tools, including IP address, device name, OS version, app configuration, usage timestamps, and other relevant data.

## Cookies

While we do not directly use cookies, third-party services used in the app may use cookies for improved service. You can choose to accept or refuse cookies, but some app features may be limited if cookies are disabled.

## Service Providers

We may employ third-party companies to facilitate the Service, perform related services, or analyze usage. These third parties have access to your Personal Information only as necessary to perform tasks on our behalf and are bound by confidentiality agreements.

## Data Sharing

We will not rent or sell your information to third parties. We may share user data with our affiliated companies for analytics and app improvements, or with third-party service providers as necessary. We may also share aggregate, non-identifiable information with advertisers.

## Security

We prioritize the security of your Personal Information, employing commercially acceptable means of protection. However, no method of data transmission or storage is completely secure.

## Permissions Required

To enable app features, BTScan requires the following permissions:

Full Network Access: Required for all app features.

Camera: Required to capture QuickScanument images.

Read Photo Library: Required to access images on your device.

## External Links

Our Service may contain links to other websites. We recommend reviewing the privacy policies of these sites, as we are not responsible for their content or privacy practices.

## Children's Privacy

The Service is not intended for children under the age of 10. We do not knowingly collect personal information from children under 10.

## Maintenance and Support

BTScan is under continuous development. We may update, change, or remove features at our discretion. While we strive to ensure service continuity, occasional interruptions may occur due to maintenance or technical issues.

## Modification and Termination of Services

We reserve the right to modify or terminate services, which may result in the loss of user data. Users are advised to back up sensitive data outside the app.

## Governing Law

This policy and any disputes will be governed by the laws of Ahmedabad, India, with exclusive jurisdiction in the District Court Ahmedabad, Gujarat, India.
